

10 May 2010

Hello Parents and Students,

I want to thank all the parents who volunteered for the science fair. The fair went off with little problems and received many positive comments from our guess judges from other schools and professional fields.

We are also starting the box tops drive today and it will run until the 21<sup>st</sup> of May. Please send in your box tops soon so our class can receive credit for them.

The 7<sup>th</sup> grade class will be taking our Point Defiance Zoo field trip this Thursday. Please ensure that you child has a bag lunch and proper clothing for the unpredictable weather.

In this week, we have the following class news;

**Bible:** Our characteristic this week is commitment. Our memory verse is Psalm 37:4-6 which due to be recited on Friday. Please encourage students to not and wait until the day they are to recite the verse to study. Poor planning on student's part reflects directly on their grades.

**Math:** There will be a math test in Mr. Orgeron's class on Friday the 14<sup>th</sup>.

**Language Arts,** Reminder, reading minutes are 250 minutes per week, they can roll over minutes.

**Life Science:** We are beginning chapter 25 today.

**History:** There is a History quiz on Wednesday the 12<sup>th</sup>. It will cover chapter 23.

**Upcoming Events and 7<sup>th</sup> Grade Field Trips:**

13 May 2009: Point Defiance Zoo (Field Trip 7<sup>th</sup> grade)

17 May: Music concert

28<sup>th</sup> May Evergreen Science Fair

31<sup>st</sup> May No School

Box Tops in the Spring runs May 10<sup>th</sup> to 21<sup>st</sup>.

Please contact me if you have any concerns or questions at the school phone, (360) 493-2223 or if you would like me to email you a copy contact me at [dorgeron@foundationcampus.org](mailto:dorgeron@foundationcampus.org).

God Bless,

Mr. Danny Orgeron
