## What we learned this week

Please review and ask your student about these things!

**Math-** We continue to practice all the things we've learned in math this year!

**Reading-** We are practicing the sight words *I, see, here, is, the, a, my, can, this, we, are, you, to, and, like, go, for, have, said, play, and would.*

**Letters and Phonics-** We continue to practice long vowels. This week we focused on long o. Remember: When two vowels go walking, the first one does the talking and it says its name!

**Bible-** We wrapped up the story of Abraham 'sacrificing' Isaac. We also started to learn about Eliezer finding a bride for Isaac.
